CURSE OF COMMERCIALISM

Has Debauched the Country-Country Now Ready to Return to Principles of Democracy-No Abandonment, No Reorganization.

(By Associated Press.)

KANSAS CITY, MO., April 21.-William J. Bryan, speaking this morning to the toast, "Democracy," at the banquet given by the Democratic Jackson County Club and the newspaper men of Missouri complimentary to Senator William J. Stone, at which the addresses did not begin un th after midnight, bitterly arraigned Grover Cleveland and his supporters who are making the plea for harmony among Democrats. The assembly was made up of representative Missouri Democrats, and the remarks of Mr. Bryan met who enthusiastic favor with his hearers. He said

"We favite all who have straved from the fold to come back if they desire, but we want them to stay in after they come. We have had enough of Clevelandism in the Democratic party. We had four years of Cleveland and after his administration was over we found ourselves weaker than we had ever been before because we had been betrayed. These so-called harmonizers, Cleveland and his followers, showed their nearness to Republicanism by deserting us in our hour publicanism by deserting us in our hour of greatest need and supporting the Republican party. The Democratic party won a great victory in 1892, which gave our party a great epportunity, but Grover Cleveland betrayed the Democratic party and it carried the burden of his administration through two national campalgns, and there was not a pank in either paigns, and there was not a plank in either platform that was such a detriment t me in those campaigns as that burden

"Cleveland had the best opportunity to redeem the Democratic party ever of-fered to any man since the time of Anfered to any man since the time of Andrew Jackson, but instead of being true to his party, he disgraced himself. As a party, we must stand true to Democratic principles, and if we do, I believe that Democratic victory will some day come and it will be here to remain when it comes.

Commercialism is the curse of the country to-day and it has debauched our country. The foreigner has come to regard the American simply as a money-maker and we gave cause for the belief that we put nothing beyond wealth and that money is ruling the country with an iron hand.

"There never was a time when the people were more ready to accept Democratic principles than to-day. I would not give one Democrat who really believes in Democratic principles for a lieves in Democratic principles for a whole barnyard full of Democrats and compromisers who pretend to be Demo

BOUNDARY - AVE. CHURCH

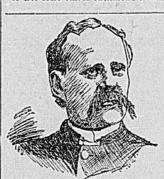

It is One of the Leading Presbyterian Churches of the Monument City-Protests Against His Leaving.

Rev. R. P. Kerr, D. D., the honored pastor of the First Presbyterian Church, will probably receive to-day a call to Baltimore, to take charge of one of the leading congregations of the Monumental City. The Times-Dispatch last night received this special from Baltimore:

"It is understood that Boundary-Ave-nue Presbyterian Church, corner of St. Paul Street and North Avenue, will call Dr, Kerr to-morrow, and he is expected to accept. This is a handsome church to accept. This is a handsome church and one of the leading Presbyterian con

gregations in Baltimere."

If Dr. Kerr leaves Richmond it will be

against the earnest protest of his own against the earnest protest of his own congregation, and that of every church in Richmond, regardless of denomination. During his ministry here, which approaches in Suralion a quarter of a century, he has thoroughly endeared himself to the entire community. His whole heart has been in his work, and under his care his church has propered and grown.

Dr. Kerr is widely known and is often

called upon to preside over most import-ant bodies of his denomination. Dr. Kerr said last night that he had re-ceived no call as yet, and had nothing to say in the premises.

Colonel O'Ferrall read then the solemn Council ordinance of May 14, 1864, whereby it was agreed that in consideration of Mrs. Stuart's allowing her husband's body to remain here under its care, the city would "commemorate by a suitable monument its gratitude and his services," and he begged the committee to fulfill this high moral obligation, to say nothing of doing itself and the city honor, increasing its attractiveness and emphasizing anew the statements of the past and present generation to all who may come to see that Virginia and Richmonders are proud of the past and will not diminish that pride before the future.

Test for Yourself the Wonderful Curative Properties of Swamp-Root

To Prove What Swamp-Root, the World-Famous Kidney, Liver and Bladder Remedy, Will Do for YOU, Every Reader of the Times-Dispatch

Gentlemen: Some two years ago I was so run down that I lacked strength, had no appetite and could not sleep nights. Sometimes it seemed as though my back would break in two after stooping. had to get up many times during the night to urinate and go often through the day. After having the best physicians prescribe for me without relief, I decided from my symptoms that the medicine I needed was Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. After trying a sample bottle with good results, I purchased six bottles of the regular size, and after taking them was entirely cured. Swamp-Root is a wonderful remedy when a man is not feeling well, after exposure or loss of sleep and irregular meals. It is also a great medicine to tone up a man's system. Other members of the police force are using and recommending Swamp-Root. They, like myself, cannot say too much in praise of this great remedy.

The officers (whose signatures accompany this letter), as well as myself, thank you for the good

you have accomplished in the compounding of Swamp-Root.
We remain, yours very truly,

Binghamton, N. Y. Hilliam Moore Chief of Police.

Officers of the Binghamton, N. Y., Police Department.

Officers of the Binghamton, N. Y., Police Department.

John W. Health Patrolman.

If you are sick or "feel badly," begin taking the famous new discovery, Dr. Kilmer's Swamp-Root, because as soon as ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion, stomach and liver trouble, which are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sieepless and irritable. Makes you pass water often through the day and obliges you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves, because they recognize in the greatest and most successful remedy that science has ever been able to compound. EDITORIAL NOTICE—Swamp-Root, the great kidney, liver and bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail. Also a book telling all about kidney and bladder troubles and containing many of the thousands upon thousands of testimonial letters received from men and women cured by Swamp-Root. In writing, be sure to mention that you read this generous offer in the Richmond Dally Times-Dispatch when sending your address to Dr. Kilmer & Co., Binghamton,

N. Y.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root—Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
